

REBOOTING DEVOLUTION

Counties as strategic authorities

66%

of England does not have a 'devo' deal

47%

of England's population live in counties

THRIVING COMMUNITIES

With more infrastructure powers and devolved skills budgets, counties can make a real difference driving growth locally whilst doing business with government nationally

UNLOCKING HOMES

Counties can help deliver the right homes, in the right places, with the necessary infrastructure if they have the ability to plan over a strategic county geography

HEALTHIER LIVES

Counties must be at the heart of social care reform, driving forward integration, prevention, and care in the community at scale
