

WHY... *your* county matters

Maintain highways & rural roads

Build vital infrastructure for communities

Support local economies and job creation

Care for the elderly and disabled

Protect vulnerable young people

Oversee high quality schools and deliver school places

Provide bus services for residents of all ages

Deliver public health services and advice

Ensure decisions and accountability are both local

This is why **Your County Matters**

Make sure your voice is heard on the services that matter to you by casting your vote on May 4th
